2026

HELLENIC AMERICAN MEETING OF EARLY-CAREER RESEARCHERS

Following the success of HAMER 2025, the Circle of Hellenic Academics in Boston proudly announces the organization of **HAMER 2026**

ABOUT HAMER

HAMER 2026 will be a two-day event featuring research presentations by students and early-career researchers. Participation from the broader academic, research, and industry communities at all career stages is welcome. This meeting provides an opportunity to connect, exchange ideas, and foster collaborations within the growing Hellenic academic community in the US.
